## Welcome to our New Director of National Programs

Duncan Campbell joins the Canadian Bible Society in the role of Director of National Programs January 2, 2019. With 30 years of program development and extensive International Relief and Development leadership, Duncan brings a wealth of knowledge and a passion for Christian ministry to the role. We welcome Duncan as brings his leadership and support to the Regional teams across Canada.

The Amalguin Branch supported CBS with a praise festival fundraiser on May 26, 2018 with proceeds supporting the fight against substance abuse in Canada and Kenya. They also supported CBS later on in the year with a Christmas breakfast.

## Experiencing Faith in the Community in Nunavut

Rev. Lisa Pak, Regional Director for Ontario and Nunavut, made her first trip to Nunavut and we are sharing some of her experiences in her daily journal from last September.

*This is my first trip to Nunavut and the view is breathtaking. There is a lot of life and activity but there's also a sense that the people here are living the frontier life in a modern world. With 8,000 people, Iqaluit, the capital of Nunavut, is the gateway to the Canadian Arctic.*

*...The Canadian Bible Society (CBS) Scripture Translation team has been working with the Inuit community leaders and translators to create a quality translation of the Bible in Inuktitut, and we are seeing the fruit of the collaborative effort.*

*... I can see the islands from the beach; frozen tundra that peaks over the waters providing some respite for the land animals and birds. To me, this is all the proof I need for a Creator God and Intelligent design. I've been told that there are seals, beluga whales, narwhals, all thriving beneath the cold, freezing waters. I love animals and one day, maybe on the next trip, I'll be able to see them first hand...*

*It's my last full day here. I hope to learn more about life here and about how the Canadian Bible Society can support, encourage and pray for the ministry. Tomorrow morning, it's a morning prayer at St. Jude's and then off to the airport, planning, of course, my next trip back to Iqaluit, the place of many fish.*

## KFM promotes CBS in 2018 through "Victory Verses"

North Bay Radio station KFM promoted CBS on a daily "Victory Verse" broadcast featuring news anchor Andrew White selecting and reading a Bible verse with brief comments about CBS events.

## North Bay Bike for Bibles a success

The North Bay Bike for Bibles event took place on August 11 this year featuring a 3 hour ride starting from Lee Park in North Bay to Centennial Park in Callander then again back to Lee Park. We're extending our thanks to those who took the opportunity to support CBS in healthy way while enjoying the outdoors.
